

Compressors

first choice for roadside tools

Standard Compressor

Model W-1712
-250 PSI rated pressure
-10', 12 Volt DC power cord

Compact Compressor

Model W-1732BL
-250 PSI rated pressure
-10', 12 Volt power cord
-Convenient storage for hose
-Translucent appearance
-Accessory storage compartment

4 in 1 Compressor

Model W-1557
-260 PSI rated pressure
-10', 12 Volt DC power cord
-Built-in work light, flashing light
-On/Off switch
-Hose and cord storage compartment

Air Compressor Features

- 1) Unique drive motor with cooling fan
- 2) Ideal for a variety of toys, sporting goods, and automotive use
- 3) Built-in easy to read pressure gauge
- 4) Thumb locking valve grips valve stem securely
- 5) Included: Two inflation and one needle nozzle

Product Specifications

	Model	UPC	Package Dimensions	Case Pk.	Shipping Wt.
	W-1712	652597031044	6 1/2" X 3 1/4" X 6 1/8"	6	13 lbs.
	W-1732BL	652597031136	5 13/16" X 7" X 3 3/8"	4	10 lbs.
	W-1557	652597031112	10 3/4" X 5 5/8" X 6 3/4"	4	16 lbs.

5 in 1 Compressor

Model W-1620

- 250 PSI rated pressure
- 10', 12 Volt DC power cord
- Built-in work light
- Inflator/Deflator feature
- On/Off switch
- Convenient carry handle
- Hose and cord storage compartment
- Large, easy to read pressure gauge

Inflator/Deflator

Model W-1592

- 12 Volt DC powered
- High air flow rate
- Great for low pressure inflatables
- Universal adaptors for most applications
- On/Off switch
- Ergonomic Design

Truck/SUV Air Compressor

Model W-1700

- 300 PSI rated pressure
- 30', 12 Volt DC power cord
- On/Off switch
- Long air hose
- Ideal for Truck/SUV applications

Product Specifications

Model	UPC	Package Dimensions	Case Pk.	Shipping Wt.	
W-1620	652597031556	12 15/16" X 5 1/8" X 9 5/16"	4	19 lbs.	
W-1592	652597031181	5 15/16" X 3 3/4" X 5 13/16"	6	6 lbs.	
W-1700	652597031518	12 3/4" X 6" X 10 1/2"	4	38 lbs.	

Air Compressor with Removable Gauge

Model W-1810

- 12 Volt, 250 PSI rated pressure
- Digital pressure gauge with auto shut off
- Pressure gauge doubles as tire gauge
- Built-in work/flash light
- Integral Vibration Dampers
- Two inflation and one needle nozzle tip included
- Built-in carry handle

Air Compressor with Cord Reel

Model W-1815

- 12 Volt, 250 PSI rated pressure
- Built-in work light
- Integral Vibration Dampers
- Pressure gauge
- Two inflation and one needle nozzle tip included

Air Compressor

Model W-1805

- 12 Volt, 250 PSI rated pressure
- Built-in work/flash light
- Built-in carry handle and pressure gauge
- Two inflation and one needle nozzle tip included
- Integral Vibration Dampers

Product Specifications

	Model	UPC	Package Dimensions	Case Pk.	Shipping Wt.
	W-1810	652597102362	7 5/16" X 9" X 3 3/4"	4	16 Lbs.
	W-1815	652597102379	15 1/2" X 11 1/2" X 9 5/8"	4	18 Lbs.
	W-1805	652597102393	17 4/8" X 12" X 11 3/8"	4	16 Lbs.

Compressor Kit

Model W-1735

- 12 Volt DC 250 PSI rated pressure (W-1732BL)
- Quick Inflator / Deflator (W-1592)
- High air flow rate (W-1592)
- Great for low pressure inflatables (W-1592)
- Universal adaptors for most applications

Rechargeable Air Compressor

Model W-2100

- 250 PSI rated pressure
- Cordless design requires no external power for operation
- Built-in work light and flashing light
- 12 volt DC power outlet
- Rechargeable 7Ah lead acid battery
- Hose and cord storage compartment

Rechargeable Air Compressor / Power Station

Model W-2300

- 12 Volt, 250 PSI rated pressure
- Rechargeable, cordless design
- 3-way LED battery status display
- Two inflation and one needle nozzle tip included
- Easy to read pressure gauge

Product Specifications

Model	UPC	Package Dimensions	Case Pk.	Shipping Wt.	
W-1735	652597102188	22 1/16" X 15 3/8" X 13 5/8"	6	22.5 Lbs.	
W-2100	652597031174	11 1/2" X 5 1/2" X 9 3/8"	2	25 lbs.	
W-2300	652597102386	10 1/8" X 10" X 13 3/8"	2	21 Lbs.	

Compressors
